

# THE NEW MOFFETT M8 NX

## MORE THAN JUST TOP PERFORMANCE

New features for better performance, safety and comfort

### MaxPerformance™

**Lighter, but far from lightweight**

The best truck mounted forklift in the world is now even stronger. Reduced weight providing more payload.

### EasyService

**Reduced maintenance time**

The MOFFETT M8 NX has a redesigned hood, new split rear door and relocated battery compartment for easier routine checks and maintenance access.

## M8 NX SERIES

**Mast**  
Outer/inner mast updated;  
chain size optimized

**Redesigned chassis**  
Lighter, improved  
weight distribution

**Interlocking seatbelt**  
Prevents driving if not connected

**LED work lights**

**GroundStart button**

### HydraulicControl

**Simplified, improved reliability**

A single combined hydraulic assembly provides easier access, fewer components and improved reliability.

### SafetyPlus™

**Because safety comes first**

Redesigned hood for better visibility, LED lights and seat presence indicator to further enhance safety for the operator.

### ErgoPedal

**Ensures driver comfort**

Accelerator pedal with heel support to improve comfort for the operator.

### GroundStart

**Enhancing safety**

Now as standard, easier access to GroundStart control button for improved safety in use.
